IMPORTANT:

Remember that you are on a moving ship. For your safety, please take extra precautions, use hand rails and watch your step. Outdoor decks can become slippery due to humidity and pool water. Please help prevent slip-and-fall accidents by using caution when crossing the decks and by drying off after using the pool.

Secure all loose items when entering and leaving the gangway and on open decks to avoid loss. Do not discard any items overboard. Let's all do our part to protect our awesome planet!
